INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Black Veterans For Social Justice, Inc
Brooklyn, N.Y

I have audited the accompanying statement of financial position of Black Veterans For Social Justice, Inc as of December 31, 2010 and the related statements of activities and changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audit contained in **Government Auditing Standards**, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, I express no such opinion.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Black Veterans For Social Justice, Inc as of December 31, 2010 and the results of its operations and its cash flows for the year ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with **Government Auditing Standards**, I have also issued reports dated August 5, 2011 on my consideration of the organization's internal control and my test of its compliance with certain provisions of laws, regulations, contracts and grants. These reports are an integral part of the audit performed in accordance with **Government Auditing Standards** and should be read in conjunction with this report in considering the results of my audit.
